

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Parents/Coaches,

Let me be the first to welcome you to the Licking County Family YMCA youth basketball league. My name is Adam Jenkins and I am the Sports Coordinator here at the Licking County Family YMCA. I am extremely excited to start the upcoming season, and I am honored that you have chosen our league to participate in.

I am a 2012 Heath High School graduate and a 2016 college graduate. I completed my Bachelors degree in Business Management from a small school in central Florida where I also played collegiate baseball. I am a sports fanatic and a Licking County kid through and through. I have spent several years now at the LCFYMCA on and off as a camp counselor and the teen director for our summer camp program. This is my second go around with basketball, and I am hoping to improve upon last year.

I am quite proud of Licking County and all that we have to offer including our sports programs. I believe that Licking County sports is among the best in the state, and the reason behind that is the core of outstanding coaches, parents and mentors we have willing to help out. It is my sincere hope to build upon the programs we have here at the LCFYMCA in an effort to grow not only as an organization but as a community.

This year will have a different feel from last year, I compiled all of the responses I received last year from my end of year survey and am going to put those suggestions into place this year. With that said I stress that you all please pay close attention to scheduling and some of the other various things I send out, as they will be quite different from years past.

If there is ever an issue that arises please do not hesitate to contact me either via email or phone. I am here for the benefit of you and your child. This season and seasons to come will not be without bumps in the road, but I believe with good communication and some patience we can work through any challenges that might present themselves.

So once again thank you for choosing to be a part of our basketball program and I look forward to meeting each of you!

Adam Jenkins
