# WELCOME TO DAY CAMP

There's truly no place like Day Camp. We look forward to the three months of camp more than anything. Day Camp is an experience where your child can feel like they are at home away from home. They will spend their days discovering themselves and creating friendships that last a lifetime.

We are very excited for the 2017 Day Camp season to begin! The safety of the campers is our top priority; bus safety, inclement weather, sunscreen, swim safety and counselor training and knowledge will be our focus this summer.

Join us this summer at The Licking County Family YMCA's Day Camp. Our team is looking forward to building meaningful relationships with you and your family.

Welcome to our home,  
Y Summer Day Camp!

**BELONGING.  
ACHIEVEMENT.  
RELATIONSHIPS.**

YMCA Day Camp was developed to help participants ages 5 to 15 who have completed Kindergarten learn new skills, develop character and make friends. Few environments are as special as camp, where kids learn and master skills, see what they can accomplish, make new friends and feel like they belong. Every new experience at Day Camp is a chance for kids to stay active, address gaps in learning when school is not in session and have fun.

# TYPICAL DAY IN THE LIFE OF A YMCA CAMPER

Each day at camp brings an exciting new adventure for our campers. The following is a sneak peek of what a typical day may look like for our campers.

## **6:30am - 8:30am — BEFORE CAMP**

Campers can be dropped off as early as 6:30am. During this time, campers will engage in small table top games, group games, and other structured activities with the whole group. Morning snack is provided during this time.

## **9:00am - 9:30am — GOOD MORNING! Opening Ceremony**

Campers will get to sing/shout to the top of their lungs, play silly camp games, possibly watch a goofy counselor skit or lead the ceremony themselves! The Campers will also engage in a group discussion about the theme and expectations for the day. Campers will then split into their age groups.

## **9:30am - 11:30am — GROUP ACTIVITIES**

Campers will play fun camp games, learn a new skill, or make a themed craft to take home! We have prepared each weekly schedule for the summer so kids will continually play new games and learn new enrichment skills.

## **11:30am — LETS EAT!**

During Lunch time we will enjoy great food as we will fuel our minds and stomachs with food and great conversation.

## **12:30 - 3:00pm — GROUP ACTIVITIES**

In the afternoon, we will swim, play group games and have structured activity time. The campers will participate in these activities as well as more games and crafts. Each week, we will participate in a large group activity centered on the week's theme! We have structured our day camp to be a very full and busy day for our campers. For Specialty Campers, their activities will be structured to fit the Specialty Camp Theme. Your camper will cool off in the Y's pool (weather permitting). We designate some time for our campers to take a break and enjoy some quiet cool-down time. Campers can read a book, play board games, take on an art project or participate in spirit-mind-body talks.

## **3:00 - 3:15pm — SNACK TIME**

After a busy afternoon campers will eat snack and reflect on that day's events.

## **3:15pm - 3:30pm — WHAT A GREAT DAY! Closing Ceremony**

Campers will be able to give "Camper and Counselor Shout Outs" to the group. We will close with a quote, skit, story, song, or dance.

## **3:30pm - 6:00pm — WE WILL SEE YOU TOMORROW! After Camp**

Parents will sign their child out and hear all about the awesome day they had.

**This is a sample schedule. Schedules are subject to change**

- More detailed information will be discussed at Camp Open House!

# NEWARK SPECIALTY CAMPS

All For One camp is an inclusive program designed to give children (ages 5 through 21 still enrolled in school) with physical, cognitive and/or sensory needs an opportunity to experience camp first hand. Campers will have fun while participating in songs, arts & crafts, games, swimming and more, while accompanied by a counselor. Small group activities will be included throughout the week to meet each campers needs, such as sensory crafts, gross motor games and nature walks. The staff to camper ratio is 1:3. An intake meeting with the All For One coordinator and the child's parents/guardian as well as the child's case manager/service coordinator is mandatory for all first time campers to ensure that we are able to accommodate the needs of every child within our program. Space is very limited in this camp. In order to ensure your child has a space in camp (after the intake meeting approval) ALL paperwork must be completed and turned in including any 3rd party contracts/payment plans.

# LICKING HEIGHTS PRESCHOOL SUMMER CAMP

The Licking County Family YMCA is please to offer a full day preschool program for children ages 3-5 (potty trained) at Licking Heights North Elementary. The program gives your child a caring, safe, and supervised environment while implementing creative Curriculum while exploring new skills. Through play children learn the vital lessons of how to manage feelings, emotions and relationships, cooperating, sharing and listening to others.

In the early years children make no distinction between learning and playing. Children should be taught as much as they want to know, and real learning comes from a young child's experience of objects.

**Enrollment begins March 14th.**
